

Sonrise Christian School NEWSLETTER

Dear Parents

Tena Koutou Katoa

Half way into August already! Time certainly waits for no man. We have completed and finalised the new names for our classrooms. It certainly brought tears to my eyes as I know without a doubt that this is who we are and it captures what we strive to do every day in our school - which is Educating for Eternity and our vision statement - To be a thriving community, committed to Jesus Christ; excellence in education and service to others. It will take some time for all of us to refer to the new names but in time it will just roll off our tongues. See context attached. I am in the process of checking out signage for each classroom.

It has been full on with MY KITCHEN SCHOOLS. There are still a few groups to complete their cooking this week. The meals that have been prepared was very creative, cultural and certainly delicious. Brought back memories for me when the South Africans cooked bobotie. This Friday, raw fish, boil up and steamed pudding is on the menu. Great effort Room 5 – Te Whare Manaakitanga!

Our Friday rugby has been off to a good start with wins against Ormond and Makaraka. This Friday it will be another home game for Sonrise. If you are available come down at lunchtime and watch your tamariki. They are pretty amazing! Every home game we provide lunch for our team as well as our opponents.

Special mention goes to Zac Norris and Josh Levi for taking charge at hockey when their coach couldn't make the game last week. "Zac and Josh took charge. The boys were amazing, they made sure the younger players were taken care of and understood what they needed to do. With only 5 players against 7 they still managed to draw the game." Vicky Miller (caregiver who was at the game). FANTASTIC Boys! Making a difference wherever you go.

It is all go with preparations, fine tuning scripts, auditions for Joseph. We will be presenting this at the end of term.

School Roll

Our school roll is filling up very fast, if there are any siblings that need to be enrolled you need to do it as soon as possible.

E te Atua e manaaki ki a koutou katoa (God bless)
