

# Sonrise Christian School NEWSLETTER 7

Dear Parents

Tena Koutou Katoa

THANK YOU to the parents and caregivers who have returned the blanket consent and transport volunteer agreement forms. We are still awaiting a large amount of these forms to be returned to school. If yours had been misplaced or you did not receive one, I have included it again with this newsletter. We appreciate your support.

Last Thursday, our Intermediate students attended the volleyball tournament at Campion College and on Monday we had two classes visit the Science Roadshow at Ilminster; and yesterday our senior students went to the Odeon Theatre to watch Apollo 11 as part of their science study. Usually Term 3 is a quiet term for us, but it has thus far been extremely hectic and busy. We are trying to provide as many learning opportunities for our students outside of school. We are already into week 7 and we have begun to rehearse a musical production to present at the end of this term.

Please check that your child is bringing home things that belong to them. If not, please return it to the school.

## **NOTICE**

As you are aware there is a large outbreak of measles in Auckland and cases all around New Zealand.

Many families, parents, teaching staff and students are travelling around the country within the next few days and weeks for holidays, sporting and other events.

Please remind students, staff and parents to make sure they are vaccinated with the MMR vaccine prior to travel.

If you are unsure of your vaccination status, please check your own health records or make contact with your General Practice. It is safe to have another MMR vaccination if you are unable to access this information. Although the vaccine takes 10 to 14 days to take full effect, vaccination now, prior to travel will provide some protection.

**(Margot McLean, Medical Officer of Health, Hauora Tairāwhiti)**

E te Atua e manaaki ki a koutou katoa (God bless)

*Wendy Gabriel*

Principal
