DEVOTIONAL THOUGHT

Your attitude is extremely important.

Only through Your grace, Lord my God, is my heart filled with Your love that is revealed in my attitude towards my fellow human beings.

Nothing is a greater obstacle in your relationships with others than being unable to live with yourself. Honore de Balzac

GENERAL INFORMATION

Dear Parents/Caregivers

Tena Koutou Katoa

Sonrise students, families and staff are looking forward to the two week winter holidays. Our children lead busy lives and many have lots of out of school commitments, so it will be good to take a breath and a break from school routines. Wherever you may be these holidays, travel safe and enjoy your time with your tamariki.

Room 5 Inanga Project

Room 5 have been very busy this week planting trees along the creek to protect the habitat of whitebait living there. This is a study they have been involved in with the support from Nga Mahi Te Taiao.

This week they put into action some of their plans for helping the Inanga (whitebait) in the Matokitoki Stream adjacent to our school.

The Lord provided a perfect day for them to clear some of the property and plant some native trees and shrubs.

The students worked like Trojans – amazing team work! Well done all! Thanks to Lisa for her motivating words and muscle power and to Amy from Nga Mahi Te Taiao!

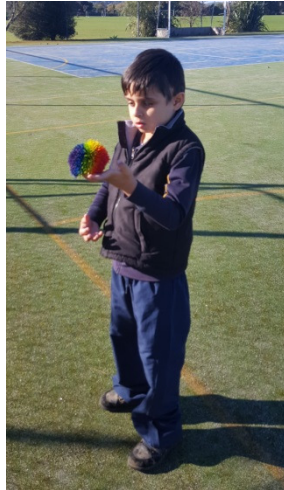

Out and About

Today a group of our students went to visit the Wheako Unit at Lytton High; we were warmly invited by the staff and especially the students. Our students and staff combined to enjoy a game of bowls and were able to socialize with song, prayer and some morning tea.

Having a rest after bowls

Ravi enjoying the sun

Jacob our bowls superstar

On the way home

Mufti and Wig Day Reminder

Last day of term is always mufti. Tomorrow we are fundraising for the cancer foundation and any gold coin will be appreciated.
