Dear Parents

Tena Koutou Katoa

Memories from the past which was not so bad.

### **NOT FOOD AS WE KNEW IT!**

*In the 50s and 60s Curry was a surname,  
A takeaway was a mathematical problem,  
Indian restaurants were only found in India,  
Rice was only for milk pudding,  
Seaweed was not a recognised food,  
Kebab was not even a word, never mind an ethnic fast food,  
A big mac was what we wore when it was raining,  
Muesli was readily available as cattle feed,  
Oil was for lubricating  
Fat was for cooking,  
Calamari was squid and used for bait,  
Raw fish was cat food, not sushi,  
Fish didn't have fingers,  
Tea was never green,  
Prunes were medicinal,  
Water came out of a tap and was not served with food.  
However, we never had on our table ..... Elbows or Phones!*

Room 5 has been very busy with MKS (My Kitchen Schools) and cooking up a storm. Lucky judges! Lots of planning and preparation has gone into this event and it covers all areas of the curriculum from working with a team, being co-operative, budgeting, type of cuisine, service, measurement, food technology, décor, menus, ICT, health & safety, etc. What started off a few years ago as a one off unit of work has now become a tradition of Room 5.

Awesome work from all of you! Not to mention, **Sharon and Walton** for helping with the grocery shopping and overseeing the preparations. The students did an amazing job! Some budding future chefs in the making. See photos on the school's FB page.

**THANK YOU to Fleur Kent** for the wonderful morning tea shout for the staff last Friday. It is absolutely appreciated and the staff are very grateful to our wonderful parents for spoiling us with morning teas.

E te Atua e manaaki ki a koutou katoa,

Wendy Gabriel

He says in **Ecclesiastes 2:24:**

*"There is nothing better for a person than that he should eat and drink and find enjoyment in his toil. This also, I saw, is from the hand of God."*
