Dear Parents

Tena Koutou Katoa

Just when we think we are on the straight, we are placed in limbo again. Please don't underestimate the toll that the COVID experience this year has had on us all. We all weathered this extraordinary experience over many months, staying positive, being kind and getting through. We have now been thrown back to level two, with the uncertainty of how this will play out over the coming weeks and months. We are 'COVID-weary'; outwardly putting on the energetic, brave face in front of families, workmates and friends.

Underneath we are weary, and a certain amount of anxiety is bubbling beneath the surface. Digging deeper is harder than it was. So again, be kind to yourself and be aware we are all feeling this in our own way. Humans are fragile and a little TLC goes a long way right now.

But God is good, and we can rest assured in His promises to us that:

-  *He is always with us (We will not fear).*
-  *He is always in control (We will not doubt).*
-  *He is always good (We will not despair).*
-  *He is always watching (We will not falter).*
-  *God is always victorious (We will not fail).*

E te Atua e manaaki ki a koutou katoa,
Wendy Gabriel
