Dear Parents

Tena Koutou Katoa

How often don't we get disappointed when someone had forgotten to do what they said they would do? We all crave promise keeping from the people who are close to us and love us.

I am so glad that God keeps His promises. He keeps His word. When He makes a promise, He will deliver on that promise. Faithfulness, one of the attributes of the Fruits of the Spirit is a biblical word describing those who keep their promises. It does not mean 'full of faith' but rather 'worthy of faith.' Faithfulness is the glue that keeps our actions adhering to our promises. The faithfulness of God is foundational to our faith. If we can't trust what He says in the Bible, we have no reason to believe. If He does not keep His word, then our salvation is shaky and our hope is empty. But God does fulfil His promises to us and our eternal destiny is secure. Let us keep on practicing faithfulness and develop faithful hearts then we will stay in a close walk with God.

We are already into week 7 of this term and school is extremely busy. The frustration at the moment is that events are planned and with being at level 2, changes are made all the time. Being in limbo is not a good place to be. Sporting events are being changed all the time so THANK YOU for your patience. Mr. Sutherland and Mr. Russell are your sporting contacts if you have any queries. Great to see our intermediate cricket team and their coaches training hard out for their upcoming tournament in October.
