

Dear Parents

Tena Koutou Katoa

(Photos by Kristina Pinto)

Students performed very well at the Small & Rural Schools speech competition held at the Wananga. **Tom Pinto** and **Keilah Kent** both took **second place in their year groups**.

Congratulations to all 4 finalists, the effort was great.

It is certainly getting really busy with only 7 weeks of school left before the school year comes to an end. Next week all teachers will be starting on their final achievement assessments for the 2020 year. Please ensure that your child/ren are in school every day (unless they are ill), as it holds up the assessment process if students are missing on the day of an assessment. This is greatly appreciated.

Sadly, students who are on the GIZZY LUNCHES Program, this service will finish at the end of this year. We would like to take this opportunity and thank everyone who had been involved in delivering this program in our schools.

### Roadworks

Siteworx will be here from next week getting ready to begin the culvert work. This work is due to continue in to next year and development will be reliant on weather conditions.

E te Atua e manaaki ki a koutou katoa,

Wendy Gabriel

Tumuaki
