

Parent Handbook 2022

A GUIDE FOR PARENTS
This booklet contains useful information. We recommend you keep it in an easily remembered place for ready reference. Please note this parent handbook

Kia Ora Tātou,

We take pleasure in presenting this information booklet to parents as a guide to Sunrise Christian School.

Please take the time to read the meaning behind our school logo on Page 2.

We focus on a Christ-centered education; fostering learning in a supportive environment where each individual is valued as a person and that each child has the potential to achieve and gain satisfaction from their learning.

A positive partnership between you, as parents and the school is vital and we invite you to become actively involved in the education of your child/children. We provide opportunities for you to participate in the school programme for the good of all pupils.

We have a very supportive Board of Trustees and Proprietors, who give unselfishly of their time and work very hard for the school.

Andrew Russell
Tumuaki (Principal)

The meaning of our school logo

- The sun is important to Gisborne, first city in the world to see the sun rise.
- The Son is risen.
- Symbolic sunrise at the foot of an empty cross.
- Concept of Turangawaewae - the place we come from, the place we stand. The school as a spiritual home and place but we are also grounded in Christ Himself who is our Turangawaewae.
- Wave of the sea meeting our land, Te Tairāwhiti.
- The meeting of the 2 elements creates a path - a path to eternity - a route we must take to be saved.
- The place which we stand which is Christ our Rock.
- The koru shapes also represent our new life in Christ.
- The unfolding of the potential of our children.

Sonrise Christian School Offers

Sonrise Christian School offers a Christ-centred education. We believe that God created the world and reveals Himself in His Word. A true and complete understanding of the world can occur only when God is the centre of the education process. The school aims to help students respond to God the Creator and find their place in His world, serving Him to their best with whatever skill and abilities He had given them.

Sonrise Christian School Philosophy

- Parents have a biblical responsibility for the education of their children.
- Sonrise Christian School aims to assist parents to prepare, and guide their children towards maturity. The four main areas of development are spiritual, social, academic and physical.
- The Bible is recognized as authoritative and infallible. Biblical principles are integrated into all facets of school life.
- Since God is Truth and His creation reveals Him, students are shown that Truth can be known and taught.
- Students are encouraged to know, love, serve and trust the Lord Jesus Christ, to commit their lives to Him and to love others as Christ loves us.
- Because God has made us unique, with individual skills and talents, each child is expected and encouraged to develop to their personal potential.

Enrolment

Because Sonrise Christian School is an integrated school of special character, families of children enrolled at the school must show that they agree with and support the Special Character of the school, and desire Christ centred education for their children, specifically by acknowledging their own Christian faith.

Up to ten percent of enrolments at the school are available for families who still desire Christ centered education for their children but are not themselves active Christians, but are able to support the Special Character of the school.

Ministry of Education guidelines require parents of 5 year olds enrolling at Sonrise Christian School to supply a copy of their child's Birth Certificate and Immunization Certificate.

All enrolment procedures must be completed and confirmation of acceptance at the school received prior to the student being able to commence at the school.

Emergency Procedures

Sonrise Christian School has a comprehensive emergency plan. In the case of an emergency that requires the school to close during school time, the children will be moved to Mangapapa School in Rua St but only on the advice of Civil Defence on the day. This is our designated Civil Defence assembly point. Please take time to read the emergency policy and familiarize yourself with the details.

Smoke Free Policy

Sonrise Christian School is a designated 'Smoke Free Area'. This means that there is no smoking within the school buildings, the fenced off area and car park.

Policy Documents

Sonrise Christian School Board of Trustees has developed policies covering the governance of the school.

Policies can be accessed on www.schooldocs.co.nz, username: **sonrise** password: **sonrise**.

These are available from the Principal, and on our website www.sonrise.school.nz Please feel free to read them.

Absence and Lateness

A 'check-safe' scheme operates in the school. If your child is going to be absent or late, please contact the school – phone 868-9841 or text office administration on 027-4319-249 between 8:00am and 8:30am! If your child does not arrive at school and you have not contacted us we will phone you or your emergency contact. Please immediately advise us of any changes of phone numbers or addresses. In the case of a foreseen absence from school please discuss an exemption with your child's teacher.

Health, First Aid and Illness at School

In the case of an accident at school, first aid is carried out by the administrator, Paku and, in serious cases, parents are notified. Parents will also be contacted if a child becomes ill at school. For this reason, our record for home, work, doctor and other emergency contact numbers must be current. Please advise the school of any changes.

Allergies, Asthma etc.

The school keeps a record of children who require special and immediate attention in case of insect sting or illness. If you have a child who falls into this category the school should be notified now so that the necessary safeguard can be taken. Parents must supply the school with the appropriate medication if it is likely to be needed.

Dental Clinic

Children attend the Mobile Dental Clinic. Dental treatment is available for children from the age of two and a half years. Appointments can be made by phoning 027 242 5120.

When children are enrolled at school the first time, unless otherwise directed, they are placed on the dental clinic register and regular checks of teeth are made. Early enrolment and many visits with parents before school will give children confidence with dental examinations.

Road Safety

Children should be warned against stopping on the way to and from school and talking to strangers. If arrangements made with children about collecting them after school are altered please contact the school so the children can be informed.

Children must stay behind the barrier until the parents arrive to pick them up.

Pupils Arriving / Departing By Car

The front of the school is considered the main pick-up and drop-off point for students coming to school by car. We especially encourage our primary school students to come and leave by this entrance. Now that there are many parking spaces around the school roadside we encourage the older students to make a more regular meeting point with their parents for picking up after school. We are also looking forward to a larger school car park being opened soon down near the preschool and we will encourage the use of this as being a safe area for parents to park after school while waiting for students to finish their school day. Please be aware that smaller children are still learning road-safety and our job as parents is to watch out not only for our own children but all the students.

Bicycles

All the roads leading to school are very busy and hazardous to cyclists. It is our recommendation that pupils younger than 11 years do not ride bicycles to school unsupervised, but the responsibility to allow a child to cycle is yours as a parent.

Sports

Sport is a popular pastime and entertainment here in Aotearoa and at Sunrise Christian School it is no exception. We value fair-play but also desire to win.

Our children have many varied talents and skills and it is important for us to provide every opportunity possible for them to be involved in whatever sport they have a passion for as well as give them a chance to try something new.

Whatever we cannot provide for here at school we help to make connections to those that can through our effective networks with other schools, School Partnership Coordinators for Primary and Intermediate levels and Regional Sports Directors for Secondary Schools.

Swimming

During the 1st and 4th terms children swim at the Enterprise Pool. Swimming is a compulsory component of the curriculum. The pool is heated and under cover so it is not dependent on the weather. Please ensure that all clothing is named. Parent helpers are needed. Let the class teacher know if you're available to help with swimming.

Physical Education

PE is a compulsory component of Sonrise Christian School's curriculum. If your child is unable to participate, a signed permission slip from parents is required. If the condition is ongoing, a medical certificate is required.

Field Trips

Students take part in field trips that complement classroom studies. A permission slip will be sent out at the start of the school year to cover local school trips.

Lost Property

Lost property is stored in individual classrooms. Please name all belongings. We ask children to leave expensive and treasured items at home. While we do everything possible to locate lost items, we cannot be responsible for lost property.

Money

If children have to bring money to school, they should bring it in an envelope labeled with their name, the amount and purpose and hand it to their teacher when they arrive. The school has no place for the safekeeping of large amounts of money and can take no responsibility.

Lunches

Parents are encouraged to provide nutritious lunches for their children. Lollies, fizzy drinks, chewing gum are not permitted. Parents and pupils are reminded that there will be no opportunity for lunches to be purchased during the school day. Pupils will NOT be allowed offsite during school hours. Any purchases that need to be made will need to be made on the way to school. There will be no exceptions to this rule. On Thursdays, lunches can be ordered at school, through the Cake Kitchen.

Specialist Education Services/Resource Teachers/Learning and Behaviour

These services may be called on by the school or parents to assess and advise on children with special needs of learning and behaviour. Please contact the school first as a joint approach to G.S.E.; is more likely to gain priority.

Parent Help

A much-appreciated aspect of the school day is the help parents are able to give teachers in various ways. This can take the form of regular help in the classroom with a wide range of non-teaching tasks and is not confined to the Junior Class. Parents can also help when classes go on education visits away from school, also expertise in sport, hobbies and craftwork. If you are interested do not hesitate to offer.

Homework

At Sonrise Christian School homework is set to allow children to practice and consolidate skills learnt at school.

Purposes

- The expectation is that homework is given throughout the school.
- Homework should support what is being done at school and should not be an academic exercise for parents.
- The level of homework should be appropriate for the child's abilities.

Reports on Children's Progress

Parents are invited to discuss your child's progress with the class teacher – please make an appointment. Written reports are issued at the end of the second and fourth terms and more formal parent teacher interviews are available at those times.

Communication Diaries

To aid communication, younger students will have a communication diary for daily messages between teachers and parents. Please make sure you read these and add any comments you wish to make. This diary is a useful method of communicating any concerns to your child's teacher, seeking an appointment time to meet with the teacher or letting the teacher know of any family events that may affect your child's learning at school.

Newsletters

Are sent home every week, one per family.

Attendance Dues

Sonrise Christian School is a state integrated school of Special Character. This means that the government funds the day to day operational costs of running the school but **not** the provision of land and buildings. The land and buildings are owned and administered by the proprietors of the school, the Gisborne Christian Education Trust. To fund the original purchase of the land and all the capital works involved with the school, the proprietors charge attendance dues, which are set in conjunction with the Ministry of Education. Attendance dues are compulsory and are payable to the Proprietors by all students attending Sonrise Christian School.

Attendance dues are set at \$1,664 (including GST) per year per pupil, capped at \$5,720 (including GST) for families of four or more pupils attending the school.

Attendance dues are charged at the beginning of each term and are due in advance. However, to make payment of the dues more achievable for families, payments may be made by regular automatic payment on a weekly, fortnightly or monthly basis as per the following schedule.

Account Details Gisborne Christian Education Trust

Account No 06 0637 0178869 00

Ref (enter your child/s name)

Annual Payment	\$1,664.00	1 Payment	Due in advance

Monthly Payment	\$138.67	12 Payments	Due monthly

Please note that if a regular payment plan is chosen, the payments need to start from the beginning of the calendar year and continue through holiday time.

In cases of hardship, an approach can be made to the Proprietors, who may reduce or waive the fee if necessary. This is done in the strictest confidence.
