

Level 2 Courses available at Eastland Institute of Technology (EIT)

The Trades Academy works with secondary schools and EIT to provide trades courses to help students achieve NCEA Level 2 or 3 and prepare for higher-level study. Each course consists of approximately 15-20 credits. The Trades Academy is a partnership between Sonrise and EIT. Students will go to EIT to do the course they have chosen and will be supported by EIT's tutors.

As part of the Sonrise Christian School timetable all these courses will run on a Friday and student will make their own way to and from EIT with each class taking the roll morning and afternoon and reporting back to Sonrise Christian School all attendance records.

Level 2 courses available in 2023 are:

1. Agriculture
2. Horticulture
3. Integrated Trade Skills - Automotive, Engineering and Building.
4. Automotive
5. Building and Construction
6. Computer Technician
7. Hair and Beauty
8. Sports Skills and Coaching
9. Hospitality
10. Early Childhood Education
11. Services Preparation – Armed Forces or Police
12. Pikitōi – Māori Art
13. Integrated Creative Skills – Fashion, Screen Production, Art and Design
